

Home Learning Grid- Early Level (P1 & P2)

There is no pressure to complete all/any of the tasks detailed below. Just do what you can. For example you could choose 1 literacy task, 1 numeracy task and either 1 expressive arts/STEM challenge OR 1 from the separate P.E. challenge grid below as your daily home learning. Send pictures/videos of your completed task to your teacher on Google Classroom if you can. If you are looking for additional things to keep you busy- attempt the challenges and see the list of additional activities below. Have fun!

Week beginning 11th January 2021

Literacy	Numeracy	Expressive Arts/STEM
<p>Phonics- Learn to Read- Rhyming Words- Watch the Alphablocks video and encourage your child to say out loud the letters/words they recognise. https://www.youtube.com/watch?v=Os9P7wsDZa0</p>  <p><small>#NurseryRhymingWeek Phonics - Learn to Read Rhyming Words Alphablocks</small></p>	<p>Topmarks Number Bonds Game- Play Topmarks Number Bonds Up to 10 games for 20 minutes or until you feel more confident with the answers. If you find this easy, move on to Number Bonds up to 20 games. https://www.topmarks.co.uk/maths-games/hit-the-button *Challenge- try playing Number Bonds Up to 100 games.*</p> 	<p>My Favourite Things- Draw a picture of your favourite things about school.</p> 
<p>Story Book Challenge- Read a short story or ask an adult to read one to you.</p> <ul style="list-style-type: none"> Choose 1 character. Would you like him/her to be your friend? Why? What was your favourite part of the story? Explain. Anything you didn't like? Why? <p>*Challenge- video yourself answering one or all the above questions.</p>	<p>Sorting Objects- Find some objects from around your house or from the garden and sort them into different groups. How many ways can you sort them? E.g. toy cars - sort them by size, colour or make.</p> <p>Take a photo and send it to us!</p>  <p><small>Live, Love, Laugh and Teach! livebelonghandteach.blogspot.com</small></p>	<p>Arty Food Task- Get arty with your food! Cut food in different ways to create animals / scenes. You could even paint your own rainbow bread using sugar and food colouring!</p>  <p>Ask a parent to help you with this task.</p>

Literacy

Colour by Christina Rossetti-

There are 3 videos to watch:

- **Listen** to the story
- **Read** key words from the story
- **Share** enjoyment of the story

<https://www.bbc.co.uk/bitesize/topics/zvyc7nb/articles/zjyfnrd>

Spelling Activity-

Choose 5 words from your reading book that you think are 'Wow Words'.

- Air write your words in the air
- Cut out letters from a magazine and stick to make the words
- Rainbow write your words
- Draw a picture to match each word

*Challenge- write a sentence for each word (or say the sentence and ask an adult to write it for you).

Numeracy

The Spider's Web-

Write number's 1-20 randomly on a page and circle each number. Start at 1 and join in order up to 20. If you find this easy, try numbers 1-50 and if you really want to challenge yourself, 1-100!

Topmarks Helicopter Rescue Game-

Play **Find a Number** and **Count On & Back** 1-10 & 1-20. If you find this easy, play 1-30.

<https://www.topmarks.co.uk/learning-to-count/helicopter-rescue>

Challenge- try 1-50 and 1-100!

Expressive Arts/STEM

Salt Dough-

Make the salt dough recipe below. You could:

- Make prints with leaves, stones, etc.
- Print with toys, e.g. Lego, dinosaurs
- make your name

How to make Salt Dough

Mix together:

- * 2 cups of plain flour
- * 1 cup of salt
- * Up to 1 cup of water

(add the water in slowly as you may need less)

Knead the mixture into a dough and get creating

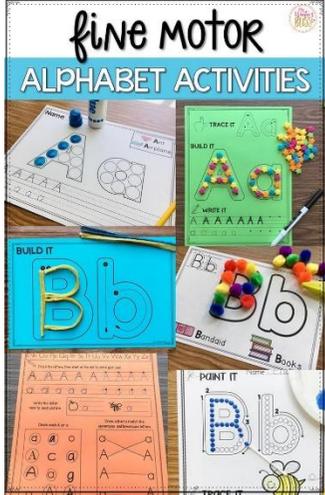

(You can't really go wrong, if it's too sticky just add some more flour)

Shape Art

Try and find as many different shaped items around the house. Draw round them on a piece of paper and colour to create your own 'shape art'.

Literacy	Numeracy	Expressive Arts/STEM
<p>Fine Motor Skills- Practise making patterns, letters and numbers in sand, rice, shaving foam or with buttons and playdough. Anything you have in the house!</p> 	<p>Shop Imaginary Play Activity- Find 5 toys, write 5 amounts on post its or pieces of paper, e.g. 5p, 8p, etc. 'Play shops'- use a calculator as a till register and loose change. Children can be the customer or the shop worker and they need to find the right amount to pay for the items or work out change.</p>  <p>*Challenge- try larger amounts and buy more than 1 item.</p>	<p>Freezing Liquids Activity- Make ice cubes or ice lollies from various liquids and time how long it takes for each to freeze. Which one do you expect to freeze first / last? Why?</p> 
<p>For additional activities: All children have a log in for Sumdog & Education City, sites which develops mental maths and problem solving skills: https://pages.sumdog.com/ https://www.educationcity.com/ (ask your child's teacher if they don't know their log in) Oxford Owls have a library of free books: https://www.oxfordowl.co.uk/ Free audiobooks for children: https://www.storynory.com/ Lots of free maths games: https://www.topmarks.co.uk/ Daily lessons in literacy, numeracy and health and wellbeing: https://www.bbc.co.uk/bitesize Learn, create and play through exploring Scotland's history and heritage: https://www.historicenvironment.scot/learn/ STEM (Science, Technology, Engineering & Maths) with Mr N: https://www.youtube.com/channel/UCxziq4omrQP-EKSLiOIPhw</p>		

P.E Challenge Grid

<p>Visit BBC Let's Get Active! Click on one of the videos to work on a skill you have learned in P.E. https://www.bbc.co.uk/teach/class-clips-video/physical-education-ks1-ks2-lets-get-active/z72yjhv</p>  <p>Physical Education KS1 / KS2: Hybrid Sports - Attacking and Defending Take part in a fun combination of games and learn attacking and defending tactics.</p>	<p>Go outside and play on your bike / skateboard / roller skates / scooter. You could even play a game in the garden or outdoor area. Football, basketball, tig etc. As long as you're outside getting active!</p> 
<p>Make up your own game or sport. A personal favourite of mine is trying to see how many socks I can 'score' into the washing basket. You may also want to play 'tin can' bowling. Get creative. Take photos / videos of your game.</p> 	<p>Go for a walk with your family. Spend some time together outside. Take photos of some of the sights / wildlife you see. Be the outdoor photographer for the day. Your phones / fitbits / step trackers will count the number of steps you did. Share them on Teams!</p>
