

Primary 6 Home Learning Grid- 01.02.21

You will find all resources for the following tasks in the Classwork tab on Google Classroom. Although we would love everyone to engage fully with Google Classroom activities, please do what works for you as a family. The suggested days for Literacy and Numeracy tasks are only guides to help you manage your child's work. Have a great week and we look forward to seeing your work on Google Classroom.

	Monday	Tuesday	Wednesday	Thursday	Friday
Literacy	<p><u>Reading Lesson 1</u></p> <p>This week we are going to begin our new reading block 'Finding and Using Information'.</p> <p>We are going to begin the block by looking at how to identify the main idea of a text and supporting details.</p> <p>You can choose a 'mild', 'spicy' or 'hot' text for today's task. Please submit your completed task as an assignment.</p>	<p><u>Reading Lesson 2</u></p> <p>Today we are going to continue looking at identifying the main idea and supporting detail of a text, but instead of looking at a written text we are going to watch some digital texts.</p> <p>I have saved an organiser in the 'Classwork' section that you can use but feel free to just to write your answers on a piece of paper if that is easier.</p>	<p><u>Writing Lesson 1</u></p> <p>This week we are using a short film as our theme for our imaginative writing.</p> <p>Watch the film following this link.</p> <p>https://www.youtube.com/watch?v=fLDEM_9JNsW</p> <p>Watch the lesson video where Mrs Thomson will lead you through the lesson.</p> <p>There are two tasks for today.</p> <ol style="list-style-type: none">1. Answering reflective questions about the film.2. Complete a story plan using the planning sheet. <p>Upload both to assignments.</p>	<p><u>Writing Lesson 2</u></p> <p>Today you are writing your story using the plan from yesterday.</p> <p>Watch the lesson video where Mrs Thomson will explain what we are looking for in your imaginative stories.</p> <p>Upload your story to the assignment. We can't wait to read them!</p>	<p><u>Spelling</u></p> <p>Practise your weekly spelling words using an activity from the 'spelling menu'. You will find these in the classwork section.</p> <p>Upload some of your practise to the assignment so that we can give you feedback.</p>

Numeracy/ Maths

<p><u>Numeracy Lesson 1- Mental Addition and Subtraction</u></p> <p>This is the last week of mental addition and subtraction.</p> <p>Please watch the videos Miss Clark has uploaded to Numeracy Lesson 1 on "Choosing the best strategy". Then complete the addition and subtraction worksheets mentally using any of the previous strategies taught. You only need to complete one of the columns on the worksheet (Mild, Spicy or Hot).</p> <p>Submit your work via assignments.</p> <p><u>Times Table Practice</u></p> <p>Please complete the Multiplication and Division drill worksheets on Google Classroom.</p> <p>Each worksheet requires you to answer all the questions in <u>2 minutes</u>. Please stick to this time limit! Once completed please mark your work using the answer sheet provided. Any incorrect or missed answers will tell you what multiplication tables you still need to practice.</p>	<p><u>Numeracy Lesson 2 Addition and Subtraction Word Problems</u></p> <p>Please look at the PowerPoint on Numeracy lesson 2 on how to solve Addition and Subtraction Word Problems.</p> <p>Then complete one of the addition and subtraction word problem worksheets (Mild, Spicy or Hot) mentally.</p> <p>Submit your work via assignments.</p> <p><u>Times Table Practice</u></p> <p>Make sure you have completed Monday's Multiplication and Division Drills first.</p> <p>Then practice quick recall of your multiplication and division facts using:</p> <p>"Hit the Button" https://www.topmarks.co.uk/mathsgames/hit-the-button</p> <p>or</p> <p>Mathletics https://login.mathletics.com/</p> <p>Recommend at least 15 minutes of practice each day this week.</p>	<p><u>Numeracy Lesson 3 – Creating an Addition and Subtraction Game</u></p> <p>Who doesn't love a board game?!</p> <p>Your task today is to create an Addition and Subtraction Game that can be played with you and your family! Guidance and inspiration for creating your game can be found on Google Classroom under Numeracy Lesson 3.</p> <p>Please post pictures or an outline of what your game is to the Google Classroom Assignment or Stream.</p> <p>Can't wait to see what you all come up with!</p> <p><u>Times Table Practice</u></p> <p>Make sure you have completed Monday's Multiplication and Division Drills first.</p> <p>Then practice quick recall of your multiplication and division facts using:</p> <p>"Hit the Button" https://www.topmarks.co.uk/mathsgames/hit-the-button</p> <p>or</p> <p>Mathletics https://login.mathletics.com/</p> <p>Recommend at least 15 minutes of practice each day this week.</p>	<p><u>Maths- Budgeting Lesson 1</u></p> <p>Watch the lesson video from Mrs Thomson on Google Classroom which explains what a budget is and how to use a budget in every day life.</p> <p>Choose your challenge-mild, spicy or hot and complete the task.</p> <p>Upload your work to the assignments.</p>	<p><u>Maths- Budgeting Lesson 2</u></p> <p>Follow the link to information from BBC Bitesize.</p> <p>What is financial decision making? Watch the video then complete the activity at the bottom of the website.</p> <p>https://www.bbc.co.uk/bitesize/topics/z8vv4wx/articles/zgghgdm</p> <p>Can you complete the cinema visit budgeting task? You need to read the instructions at the top and then plan your visit.</p> <p>Can't wait to see what you decide to spend your £35 on!</p>

Other Tasks for this week

Topic- Victorians

This week we are learning about what life as a child was like during the Victorians.

The lessons and work this week for topic are quite big so I would **highly recommend starting the topic work early in the week** to give you enough time to complete everything over the week.

Lesson 1 is to carry out research using the PowerPoint provided. It is full to the brim with lots of good information and video links.

Lesson 2 is to create a Presentation on what you have learned this week. Guidance on how to create your Presentation and what to include is outlined on the Lesson 2 PowerPoint on Google Classroom.

This week Topic has been set as an assignment to give you the option to submit your presentation privately if you wish to do so. Though, we still encourage you to post your wonderful work on the Google Classroom Stream for all to see as I'm sure your classmates would also love to see your hard work!

Art

This week you will be learning about artist Pablo Picasso. We are going to work on creating a portrait in a

Health and Wellbeing

Food and Health

Last week you were learning about the different food groups and the importance of a healthy balanced diet. This week you will be learning about why and what we eat changes at different stages of our life.

Please read through the PowerPoint and watch the video clips attached. Your first task is to create a one day meal plan for a child aged 5-10 years old.

After reading through the information on the PowerPoint your second task is to complete the quiz at the bottom of the BBC Bitesize website on Choices and Needs. It can be found on the PowerPoint, Google Classroom or here below:

<https://www.bbc.co.uk/bitesize/topics/zfmpb9q/articles/zn6j96f>

Please post your completed "Meal Plan" to the stream!

Daily Check In

Every day at 10.00am, the teacher who is overseeing Google Classroom will be live for a daily check in with you all. We will set up a Google Meet and share the link to the stream for you all to join. Get ready for games, chat and a Friday quiz!

PE

Joe Wicks PE lessons are on YouTube on Mondays, Wednesdays and Fridays at 9.00am. It is a really good way to keep active during this time.

<https://www.youtube.com/c/TheBodyCoachTV>

You can always catch up on previous lessons and fit it into your day whenever suits you and your family rather than watch it live.

French

Bonjour 😊 Ann Robertson (Languages coordinator for Midlothian) has put together a programme of live, weekly, French lessons, starting on Friday 15th Jan - Friday 5th Feb.

The full programme with links is available below! It will be a H&WB focus with sports, a French workout routine, a song about healthy living and a French dance party to end the term!

https://drive.google.com/file/d/1GRMdAXJ0TufM7uMJIC_QLYyaw38bIW_O/view?fbclid=IwAR00jFFUQ13etY9pqkq_gmS9YMVdj623cq3QDcvrKzwTsgQFeN4pdXoqltY

RME

Last week we were looking at the features of the sacred building of Islam, the Mosque. This week we are going to look at a ritual that happens when inside the Mosque, before praying, called Wudu. Your task is to try to sequence the 10 steps of the ritual washing.

Remember to upload your completed task to the stream!

Virtual Library

Follow this link to a virtual library. Click on the P5-7 door and then click on the links within the virtual library. You can then enjoy reading or listening to the books and author's live- enjoy!

https://www.thinglink.com/card/1406688310872506371?fbclid=IwAR2Yyqk8C6mh9PIN2lkI7pDwnoOAJPkWEZalhma_qWN50VRmdWUP4CAaQ5o

similar style, using some of his techniques.

Please upload your completed works of art to the stream, we can't wait to see them!

Family Time

Make sure that you plan into your week time for:

- Outdoor exercise- walks, cycles, scoots, runs.
- Play some family games together.
- Cook or bake together.
- Watch a movie together- no phones for distraction!
- Help with jobs around the house.
