Weekly Mail Drop

30th September 2022

(Our weekly mail drop will continue to be sent out each **Friday** this year)

Bike to School Week has been a great success with many children taking part all week, including Hi-Viz Day on Tuesday. Thank you for supporting us with this. Please continue to encourage your child to wear a helmet when scooting and cycling to school.

Our JRSOs continue to support our campaign for safer parking in and around the school grounds. Please do not park on the double yellow lines at the front of the school. Similarly, please adhere to the time restrictions in place at the back of the school. These areas are very busy from 8.15 - 9.00 and from 2.45 - 3.30. Many children cannot see past parked cars so it is really important that there is nothing blocking their view as they make their way in and out of school. I ask for your support with this, please.

Thank you for your generous donations of non-perishable goods for our harvest collection. We will continue to collect throughout October so if you would like to donate, please send items into the school office.

Head lice and nits are very common in young children and their families. They don't have anything to do with dirty hair and are picked up by head-to-head contact. Please check your child's hair regularly for head lice. Treat head lice as soon as you spot them and ensure you complete the full treatment. There's no need to keep your child off school if he/she has head lice. For further information on how to spot and treat headlice please visit the NHS website <https://www.nhs.uk/conditions/head-lice-and-nits/>

Please have a lovely weekend, everyone. Take care and look after yourself and your family.

Pauline Marr
