

Literacy	<p>Imagine you are a television reporter, interviewing someone about their life. Write 5-10 questions to ask them about their life, and imagine their answers. If you can speak to someone on the phone, you could do a real-life interview!</p> <p>Design a poster to advertise the Christmas Rainbow Hampers.</p> <p>Create instructions, using words and/or pictures, for moving around Strathesk PS safely following The Strathesk Way.</p> <p>Create a new character for a book you enjoy. What do they look like? What do they do in the story? What sort of person are they? Maybe your character is an animal, a magical creature or monster!</p>
Numeracy	<p>You're planning a party for 10 people. Decide what sort of party it is then think about what you would need to buy. You could make up prices for each item and try to add them together, or go online to a supermarket website and work out real prices. How much will you spend?</p> <p>Spend 20 minutes practising your numeracy skills on Sumdog, or Topmarks. https://www.sumdog.com/user/sign_in https://www.topmarks.co.uk/maths-games/daily10</p> <p>Log into Top marks. P2 should practise doubles and halves. P3 and 4 should practise times tables. Try to challenge yourself! https://www.topmarks.co.uk/maths-games/hit-the-button</p> <p>Think of different 2D and 3D shapes that you know. Have a look around your house and see how many things you can see which show these shapes. If you can't see very many, go out and about on a Shape Hunt.</p> <p>Go onto Counting Caterpillar in ICT games. Practise putting numbers into the correct order. P2 - numbers up to 100. P3 - numbers up to 1000 P4 - numbers beyond 1000 http://www.ictgames.com/mobilePage/countingCaterpillar/index.htm</p>
Health and Wellbeing	<p>Think of a sport you enjoy playing or watching. Write or draw a picture about the sport for someone who has never seen it. You could add details about the rules, point system, equipment, how you play, how you win, number of players, what you wear etc.</p> <p>Design a short exercise programme you can do at home. Maybe you enjoy exercising to music, so you could choose some music you like too. You could film yourself completing the programme if you want.</p> <p>Imagine you are a café or restaurant owner and design a menu. You need to cater for all customers, including vegetarians, vegans and people with allergies. Your menu should look attractive and show prices too.</p> <p>It's really important to stay healthy. Some people enjoy doing yoga to look after their bodies and their minds. Try some yoga by going to the link below.</p>

Strathesk
Primary School

It's great to get out for walks in the fresh air. Think of a place you like to go, then draw 4 different pictures of the same place, in Summer, Autumn, Winter and Spring. You could label the pictures. What changes as the seasons change?
